Dear Nikhilbhai,

Many thanks for your kind invitation to the 150th birth anniversary programme of your dear grand father Sir Lalubhai Samaldas and the release of the two very special books. Sorry we cannot be there in person but our heartfelt good wishes are for your entire family. Hearty Congratulations from all of us, Naseem, Beeseem, Asim + myself.

Your invitation brought back beautiful, nostalgic memories of Andheri and all of you, especially Babu Kaka. We really miss him a lot. It was very sweet of you to have remembered us. Your family has been very special to us. →

To congratulate Aparna Boken also from
all of us. Regards to everybody in the
family, your wife and children and
Kishorbaben.

Looking forward to meeting all of
you someday. Keep well and good
wishes again.

Affectionately,
Yasmin
